Support Asked for C of C Recreation for Soldiers

SOLDIERS' WELFARE SOLVES COMMUNITY WELFARE PROBLEM

"We hear a great deal these days about soldier morale and the necessity for keeping the men in service bucked up with the right kind of entertainment and opportunities for social and home contacts. There is a great national organization doing a fine job of providing these things for men in the larger communities and training centers here and abroad. But right here at home is an opportunity for Uplanders to participate in an exxactly similar program on a small scale, but just as important," remarked Paul G. Hottel, president of Upland chamber of commerce.

FOR LOCAL SOLDIERS

He refers to the entertainment and welfare program sponsored by the chamber of commerce in behalf of service men stationed at the Cucamonga camp east of Upland. A few months ago the chamber furnished and equipped a comfortable day room for the camp, including the purchase of a piano. The response of Upland folks in coming to the aid of this project was little short of phenomninal and was hailed with equal enthusiasm and appreciation by the men at camp.

ASSISTANCE NEEDED

Generous, continued support of the project is essential, and comforts and entertainment do cost money, but, put into the welfare of the soldiers it proves well invested. To further the work being done by the chamber, Mr. Hottel calls for the support of the community, and not only the support, but also the participation.

Contributions are needed to carry on the dances for the soldiers, which have been proving very successful. A box also is maintained at the chamber of commerce office in which dimes or dollars may be placed to send soldiers to the local theatre where they are admitted for ten conts through the cooperation of Manager Harold Gage. Funds also are still needed with which to pay for the two rugs which were placed in the day room at the camp.

Driver Arrested In One-Way Crash On Euclid Drive

A head-on crash involving cars driven by William H. Reehl, 220 Kingsley drive, Pomona, and Robert Martin, 2030 La Clenega boulevard, Los Angeles, reported by Upland police to have occurred about 9:45 p. m. Sunday on the east drive of Euclid avenue at Foothill boulevard, resulted in the arrest of Reehl.

Reported to have been traveling south on the east drive of the avenue, a one-way drive, Rheel was charged with driving on the wrong side of the thoroughfare and with driving while intoxicated. Witnesses also claimed that he did not make the boulevard stop for Foothill.

Damage to the Rheel machine is said to have amounted to about $10, while the Martin car is reported to have sustained damage in the neighborhood of $100.

Little Boy Suffers No Ill Effects From Contact With Spider

Clarence Lorenz, six-year-old son of Mr. and Mrs. Gilbert Loren , 168 North Campus avenue, was hurried to San Antonio Community hospital about 1 p. m. Sunday for treatment of a spider bite.

Given prophylactic treatment, the little boy is said not to have suffered any serious effects. The belief was expressed that the bite was not from a poisonous species of spider.

"Today, Tomorrow" Is Only Word On Critical Housing

Critical defense housing area designation for Upland still hovers in the offing cloaked in momentary expectancy, according to word given out today by Arthur Walker, county industrial agent. Announcement made before the week end indicated that word should be forthcoming by the first of this week.

Latest available information on the matter received by Mr. Walker's office yesterday from Washington raised hope that the decision might be made momentarily. Mr. Walker said that word of Upland's inclusion in a critical defense housing area should be made known today or tomorrow.

MRS. PLUM LEAVES WORK AT CHAMBER

Granted an indefinite leave of absence from her duties as assistant secretary of Upland chamber of commerce, Mrs. Harry Plum entered upon her new full-time duties at Upland Selective Service Board yesterday morning. Mrs. Plum's extensive knowledge of the draft board system gained through assisting in setting up its work two years ago, together with the heavy increase in the board's volume of work have resulted in her being called into service.

Mrs. Plum became assistant secretary of the civic organization in September, 1932, and since that time her faithful and efficient service to the public has made the names "Upland chamber of commerce" and "Adelaide Plum" almost synonymous. Mrs. Plum has given freely of her time and experience in carrying on the numerous details of the office work, always keeping in mind the good of the community and efficiency of the office.

Mrs. Frank C. Wiley today became assistant secretary of the chamber of commerce, and will serve in that capacity during Mrs. Plum's absence. It will be her endeavor to render all the services and courtesies formerly performed by Mrs. Plum.

John Anderson Is Honored With High Award at Chaffey

John Anderson, son of Mr. and Mrs. Hjalmar Anderson, was this morning awarded the coveted Jefferson Taylor award in the final Chaffey high school assembly of the year. He received the award on the basis of having made the highest grades during his high school career in the social science department.

Lucille DiCarlo of Etiwanda was given the distinction of having made the highest Latin grades during the last four years.

Names of the "Gold Seal" honor students were also announced and athletic letters were awarded. Among the honor students are John Anderson, Phyllis Goodban, Upland; Rex Hamilton, Alta Loma; Marvin Rahn, Cucamonga.

Athletic letters were awarded to Dean Anderson, James Lamont and Don Scritchfield, track; Edwin Case, Don Meredith, Kenneth Parkin and Jack Christensen, swimming, and James Paulin, tennis.

LEON DURHAM NOW HOME

Leon Durham, who received medical attention in San Antonio Community hospital for eight days, returned Monday to his home, 1124 North Euclid avenue, and is convalescing nicely. A light attack of pneumonia suffered by Mr. Durham was checked before his condition became serious.

EMPHASIZE ADULT PARTICIPATION IN SUMMER PROGRAM

"Importance of adult participation in Upland's summer recreation program, beginning next Monday, should not be minimized by anyone," declares Mrs. J. B. McCarter, chairman of the Parent-Teacher committee in charge of program organization.

Emphasis cannot be placed too strongly upon the opportunities being created especially for adults to benefit from the all-inclusive community enterprise, she pointed out. A complete schedule of activities is now in course of preparation by Robert Marineau, director of the recreational program, and will be announced on Friday, but a brief preview of preparations for adults is given today.

Softball will be featured Monday nights, featuring prospective contests with Ontario teams and inviting games with soldier teams from Cucamonga camp. On Tuesday evenings, tennis matches will be in order.

Young and old alike are promised interesting pastime on Wednesday evenings with a widely varied dance program. Dance groups will meet on the terraces of the Elementary school, where anyone may pick what suits his speed, fancy and preference in folk dancing, old fashioned dances or ballroom dancing.

Every Friday night the school grounds are to be the scene of community picnicking. The programs for these evening get-togethers will include community singing as well as dancing on the terraces. Plans also are being made for musical and other groups to entertain on these occasions.

Suggestion that small groups of soldiers from Cucamonga camp be invited to picnic with townsfolk on Friday evenings is receiving enthusiastic support from many.

SAM BARKER IN CONSTABLE RACE

Sam D. Barker, who has served this township as constable for several years, is today a candidate for reelection. Mr. Barker filed his nomination papers at the courthouse yesterday. His name will appear on the August ballot. He has been elected twice previously. He originally received the position by appointment to succeed Cecil Myers.

A popular official, Mr. Barker has served the community efficiently during his terms of office. He resides with his wife and daughter at 269 South Euclid avenue.

Signing Mr. Barker's nominating petition were the following: Paul G. Hottel, Sam B. Rowe, J. W. Voth, Howard Pierce, W. H. Andrews, Fred E. Draper, Norman S. Lawson, Frank K. Nichols, Elmer Allen, Owen Atwood, Glenn Atwood, James Merchant, C. K. Francisco, Dr. C. B. Taylor, Philip Born, James E. Goodban, L. N. Kirk, Milton F. Huxtable, Dr. Ralph D. Ryan, Roy Creighton, Henry Busch, Ray Norton, E. Tweed Stone, Allan S. Barr, and R. F. Lemon. . The petition was circulated by E. C. Mehl.

Banquet Planned to Honor Officials of Kaiser Co. June 19

As a courtesy to officials and department heads of the Kaiser Co., a banquet will be served in the Red Hill Country club house June 19. Business and civic leaders of Upland and Ontario are sponsoring the event and reservations may be made with Alan A. Couch or William Richardson.

The banquet will enable local residents to become better acquainted with leaders of the new industry east of here.

H. W. Johnson, Upland resident and personnel manager of the Kaiser company, is obtaining reservations among the company officials.

County Health Code Anticipated; More Pre-School Child Care Urged

Establishment of a health code for San Bernardino county now appears imminent, it was declared by Dr. W. W. Fenton, county health officer, when he appeared recently before Upland city council and explained the services of the county health office.

Long efforts to secure the establishment of such a code are expected to bear fruit as the result of the vast development now taking place in this county, he said. For many years the county health office has been operating under the state health code, but it was felt by Dr. Fenton that under it the county office did not have enough power to secure strict enforcement of desired health measures.

Dr. Fenton commended the work of Dr. T. T. Ackerson, who is deputy health officer representing the county office in Upland. He said that through Dr. Ackerson Upland was assured of every cooperation from the county, and that local matters should be reported to him.

In view of the fact that there probably is not a universal realization of the work being done throughout the county by the county health department, Dr. Fenton gave a brief outline of its many services. Financing of the department's work, he explained, is divided between the county, state and federal governments, each paying 34, 42 and 24 per cent, respectively.

Upland, he affirmed, is entitled to all services of the department at all times.. He expressed it as his opinion that it would be a good policy for Upland to avail itself of more pre-school nursing service. He observed that such service might be instrumental in checking the tuberculosis rate, which is high here among the Mexican population.

Stressing the importance of the maternal and child conference program, Dr. Fenton said that more attention should be given to children of pre-school age. The pre-school years, he pointed out, form an emportant period for the arrest or eradication of many ills through proper and early treatment. During this period also is the time for vaccinations, immunizations and tonsilectomies, he said.

TRAFFIC FINES HIT NEW WARTIME LOW

Traffic fines for May reported by Judge Mildred R. Puckett of Upland city court, took a new and decided drop from the previous month, with $570 in fines reported for May as compared with $759 for April. Compared with May, 1941, however, the drop is even more significant, when traffic fines totaled $1,157.

January was the last high month for traffic fines in the local court, at that time amounting to $1,105. Since then, with the inception of the rubber freezing order and the restrictions of tire rationing, traffic fines have continued a steady decline. February fines amounted to $876; March, $765; April, 759.

Speeding, the best criterion of traffic offenses, has shown a steady falling off. Arrests for speeding during January totaled 72. February dropped off to 47, with March and April accounting for 35 each, while May shows only 29. Arrests for driving while intoxicated totaled seven for May, as compared with 23 for May, 1941.

Apparently with slower driving drivers are more alergic also to stop signs. In May, 1941, 23 missed stops and November, 1941, accounted for 29, but May this year records only 10 arrested for failure to heed stop warnings.

JUNE BUILDING STIRS SLIGHTLY

The local building tide still remains at low ebb, evidencing only a slight flow, according to building figures given out this week by Richard W. Derby, Upland building inspector.

Three permits have been granted the first week in June, altogether totaling something around $500. Of two permits issued on Wednesday, one was for the erection of an addition to existing poultry houses by Paul Engle at 890 West Arrow highway, while the other was for the reroofing of the W. M. Stevens residence, 420 North Campus avenue.

Third permit for the week was issued to Old Baldy Citrus Association for the additon of two rooms to a company tenant house.

Alfred Cherbak To Be Graduated Soon At Naval Academy

Alfred Cherbak, son of Mr. and Mrs. Victor Cherbak of North Archibald avenue, Alta Loma, is to be graduated from the United States Naval Academy at Annapolis on June 19, having the commissioned rank of ensign.

Mr. and Mrs. Victor Cherbak and Mr. and Mrs. Pete Cherbak, the latter of North Hermosa avenue, Alta Loma, left Saturday for Annapolis to see their son and nephew graduate.

Another son in the family, Victor Cherbak, Jr., will be graduated from the United Military Academy at West Point, N. Y., next year, when he will become a second lieutenant.

CHICKEN SCALDING RESULTS IN BLAZE

Preparations to scald a chicken resulted in a fire at 3 p.m. Saturday afternoon which destroyed a chicken house, roasting several chickens alive, at the John Van residence, 307 Fourteenth avenue.

Fire under a wash boiler in which water was being heated was blown into surrounding dry grass by a strong wind and, quickly blazing out of control, spread into nearby trash piles of old lumber surrounding outbuildings. By the time Upland fire department arrived, the wood piles and bunldings were a mass of flames, seriously endangering other adjacent structures.

Fanned by the strong wind and fed by grass growths, the fire took off through bordering fields to make a second fire front which spread west, north and east and was fought out by firemen with the pumper truck, while 850 feet of hose were laid to the nearest hydrant to bring the structural fires under control.

Prompt and effective action by the fire department prevented spread of the fire to other buildings, as well as extinguishing flames well under way in another building filled with chickens. Damage done by the fire was estimated at $50, it was said by Fire Chief J. W. Mehl.

LOCAL BLOOD BANK WORK IS PRAISED

Active support of the blood bank work being conducted by hospitals was urged upon Upland Rotarians by Dr. DeWitt R. Burnham of the naval hospital at Norco, who was the guest speaker at the club luncheon today.

Dr. Burnham was introduced by Dr. A. A. Aita of San Antonio Community hospital, and praised the work being done by the latter at the local hospital in preparing blood bank reserves for any emergency. He stressed it as being of great value to the community.

The work of having blood typed to build up the blood banks was said by Dr. Burnham to be one of the most important undertakings of the war.

MEHL TO RETIRE AS POLICE CHIEF HERE ON JUNE 16

One week from today Ernest C. Mehl will severe his connections with the city of Upland, bringing to an end 21 years of service to this municipality. He has resigned as police chief.

Coming as a complete surprise to city officials as well as many individuals in the community is Mr. Mehl's resignation as chief of the Upland police department. He set June 16 as the day when he wished to be relieved of his duties.

More than seven years ago Mr. Mehl was appointed police chief. In 1921 he was elected city clerk. His retirment as a city official will therefore bring to an end 21 years of continuous service. He resigned as city clerk several years ago to devote all of his time to the police department.

The police chief, who is widely recognized for his efficiency in heading up the department, resigned last Thursday in a letter to Mayor Eugene Nisbet.

"The loss of such an efficient department head at this time is most regrettable," Mr. Nisbet said. "But the city of Upland should feel itself fortunate to have had the benefit of the broad knowledge and experience of such a man in building up our police department to the high level of efficiency which it enjoys.

"It has a reputation, statewide, which is outstanding largely due to his efforts.

"Chief Mehl's decision came as a complete surprise to the council, but since no inducement or persuasion served to alter his decision nothing remains but to express our appreciation for his efforts in the past and to wish him the best of luck and success in any enterprise he may enter upon in the future."

UPLAND USO DRIVE HALF UNDER QUOTA

Upland USO drive, after a week of canvassing, is less than halfway toward its goal, with approximately $1,200 raised out of the $3,080 quota, it is announced today by Henry M. Busch, chairman of the drive.

Commenting on results of the drive, Chairman Busch said that he believed the end of the canvass might see this figure approach something around $2,000. However, the USO drive will remain open through the remainder of this week for additional contributions and for the completion of calls by several of the workers.

Mr. Busch calls for continued support of the drive in an effort to meet the great need of USO in its service to the country's armed forces throughout the world. Contributions may be left at either of the local banks, at Atwood's store, or at the chamber of commerce, Mr. Busch said. Last year Upland contributed $800 to the USO war chest.

Etiwanda workers are commended by Mr. Busch for their excellent work in raising $228.35, which they have turned in to the Upland fund as a part of this district. As yet, he said, no returns have been made from the drive committees in Cucamonga and Alta Loma.

Workers on the Etiwanda committee included Neal Hickcox, chairman; Glen Sheppard, Mark Hickcox, E. C. Appel, Rudolph Hoppe, Frank Rowe, Walter Price, A. H. Utman, Robert Hickcox, Thomas Donnelly and W. H. Frost.

Three Uplanders Get U. S. C. Degrees

Three students from the Upland district were among the U. S. C. graduates who received their diplomas Saturday in commencement day exercises in the Coliseum.

The graduates from here are Sharlotte Allene Browning, Chiyoko Yamaguchi and Ida Jane Sales.

License Examiner Hangs Up Record Day of Business

Concluding his final day of business at the Upland branch office of the Department of Motor Vehicles before his vacation, John H. Pratt, license examiner, reports a new record day for his office here, with a total of 60 persons being served in seven and a half hours, or eight per hour.

In view of the fact that the handling of 35 persons per day is considered a good average for a license examiner, yesterday's record business is all the more impressive.

Mr. Pratt reports that yesterday 32 persons passed tests for operators' licenses, while 13 failed; seven passed tests for chauffeurs' licenses, while two failed; two passed tests for duplicate operators' licenses and four applicants recorded changes of address.

The license examiner's office at Upland chamber of commerce, will not be open again until Monday, July 6. In the meantime, applicants should apply at the Pomona office of the Motor Vehicle Department, 325 West Fifth street, Pomona.

DIVIDEND FUND REMAINS INTACT

$27.50 IN FOOD FUND

Twenty-seven dollars and fifty cents are in The Upland News' food advertising fund for distribution at 6:30 p. m. Thursday.

Mrs. Ralph Collier, 280 Ninth avenue, did not have the sales slips last week and thus she did not receive the $15. The fund for this week, therefore, has been increased to $27.50.

To qualify, persons must have sales slips showing total purchases of at least $1 from the food stores advertising in today's Upland News. The purchases must be made either on Wednesday or Thursday.

Dr. Owen M. Sherrick, 757 Third avenue, was not at home last evening to receive $117 offered by the Upland merchants in the popular dividend day merchandising plan.

This is the first time in dividend day history that occupants of the house selected were not at home when the merchants' messenger called to offer the money and they had not posted the required sales slips.

The rules specify 6:30 p. m. Monday as the time when the money will be offered. Dr. and Mrs. Sherrick were not at home anytime between 6 and 7 p. m., it was revealed. Thus, they missed an opportunity to receive the large dividend day fund.

An additional $25 will be added to the fund by the participating merchants Saturday, bringing the fund to a record high point—$142.

Robert Berg, principal of the Cucamonga Central school, and who resides at 123 G street, conducted the drawing for selection of the house number. The Sherrick's house number is on page seven, line 36, in The Upland News' complete residential directory.

It is emphasized that to qualify for the money, persons must have the required sales slips and answer the questions asked by the merchants from whom the sales slips were obtained. In each advertisement in The News' dividend day page a question is asked. Each person is to write the answer to the question on the sales slip.

There can be no deviation from this rule—sales slips must be presented and the questions must be properly answered.

OFFICERS ELECTED

New officers of the Women's Foreign Missionary society of the Upland Nazarene church will be installed at an all-day meeting of the organization Thursday. Mrs. Will South, who was reelected president, and other officers will assume their duties. A covered dish dinner will be served at noon. Birthdays will also be observed.

GRADUATES REACH JR. HI MILESTONE TOMORROW NIGHT

Culminating nine years of student life in Upland schools for the large majority of them, 87 members of the ninth grade class will receive their diplomas tomorrow night at the thirteenth annual commencement exercises or Upland junior high school to be held in the Elementary school auditorium, beginning at 8 o'clock.

Opening the program, the Rev. George West Barrett will deliver the invocation. The junior high school orchestra under the direction of Charles Jones will play a group of four numbers, followed by presentation of the one-act comedy "Elmer," by the ninth grade Dramatic Workshop class.

Cast of the play includes: Gertrude Van Dorin, Dorothy Harnly, Betty Neilson Adelle Jordan, Don Lee, "Rowdy," Elva Decker, Shirley Mason, Charles Settle and Clarence Jacobs. Carmen Gutierrez will sing three selections.

Award to outstanding boy and girl students will be made, with Commander Edgar C. Pierce presenting the American Legion award to the outstanding boy and President Vernon V. Paine presenting the Lions club award to the outstanding girl. Howard N. Mason, clerk of the school board will present diplomas to the graduating class.

Following are names of the 87 graduates of the 1942 class:

Miss Martha L. Eyster And Leslie Unruh Exchange Vows

In a wedding that was beautifully arranged, yet simple, Miss Martha L. Eyster and Leslie T. Unruh were united in marriage at 8 o'clock Saturday evening in the home of Mr. and Mrs. Cletus Naylor, 519 North Eighth avenue.

Miss Eyster, daughter of Bishop and Mrs. D. R. Eyster of Thomas, Okla., arrived a week before from her home in the south. Mr. Unruh is the son of Mr. and Mrs. Henry A. Unruh of Tampa, Kan.

For the nuptial event the Naylor home was graced with an attractive floral decoration. Baskets of white gladioli and pink larkspur were placed against a background of palms and ferns. The arrangement was completed with tall candelabra, bearing lighted candles, and a large white wedding bell, beneath which the couple stood during the ceremony.

Miss Harriet Trautwein, pianist, played several appropriate selections and Mrs. Cletus Naylor sang "Because" (D'Hardelot). Miss Trautwein also played as the processional the "Bridal Chorus" from Wagner's "Lohengrin".

The marriage service was performed by the Rev. J. R. Eyster of Upland, pastor of the Chino Brethren in Christ church and an uncle of the bride.

The bride was attired in a street length dress of crepe romaine in a light shade of ashes of roses. She carried a bouquet of white carnations, gardenias and bouvardia.

Only other members of the bridal party were the ushers, William Wolfinbarger and Cletus Naylor.

Approximately 50 guests were present for the wedding and they greeted the bridegroom and his bride during the reception that followed the ceremony. The table at which the wedding collation was served was decorated with a centerpiece of white carnations and pink larkspur. Presiding at the table was Mrs. J. R. Eyster, aunt of the bride.

When Mr. and Mrs. Unruh left for a short trip of unannounced destination, the bride wore a navy blue ensemble traveling suit.

The bride received her education in Jabbok Bible school in Thomas, Okla., and in Southwestern State college in Weatherford, Okla., where she was awarded her degree. Since her graduation she has been teaching in Jabbok Bible school.

Mr. Unruh also attended Jabbok school and Central College of McPherson, Kan. He now is employed as bookkeeper in the First National Bank of Upland.

Mr. and Mrs. Uuruh will make their home at 361 Drake avenue.

Carrie Jacobs Bond Brings Dolls to Carmencita

Those who enjoy motion pictures — men, women and children—will find much of interest in the doll exhibit to be shown during the benefit tea that will be held in the afternoon of June 17 by Mrs. H. M. Guy's group of the Presbyterian Woman's association.

Several local doll collections will be exhibited as well as the remarkable collection being lent for the occasion by Miss Carmencita Johnson of Los Angeles.

Miss Johnson has appeared in motion pictures since her babyhood and she has had parts in many of the feature pictures, playing with famous stars.

In the pictures Miss Johnson, attracted special attention in Italy and the famous Lenci made a group of dolls, with Carmencita's features and representing the several characters she portrayed in the films. The dolls later were dressed in costumes cut from the very dresses the young actresses had worn in the pictures. These dolls were brought from Italy and presented to Carmencita by her god-mother, Carrie Jacobs Bond.

Accompanying the dolls is a set of doll furniture that was made on Col. Vanderbilt's plantation in North Carolina and presented to President U. S. Grant's children in the White House.

The granddaughter, Elizabeth Grant, now more than 80 years of age, presented the furniture to Mrs. Johnson, Carmencita's mother.

The tea and doll exhibit will be held in the dining hall of the Presbyterian church and will be open to the public. There will be no admission charge, but a silver offering will be taken.

Gift Shower Held for Miss Merchant by Her Aunts

A delightful party and linen gift shower held Friday evening at the home of Mrs. W. E. Amberson on West Sixteenth street, was a pre-nuptial courtesy for her niece, Miss Doris Merchant, daughter of Mr. and Mrs. Harold Merchant of Ontario.

Miss Merchant is the fiancee of Wallace Waters of Ontario and her wedding is to occur on June 21.

Co-hostesses with Mrs. Amberson were three other aunts of the bride-to-be, Mrs. Oren Decker of San Antonio Heights, Mrs. Dwight Decker of Ontario and Mrs. Kenneth Decker of Pomona.

Amusing games were played and refreshments were served.

One novel gift was a memory luncheon cloth that was spread on the table and each guest autographed it with a favorite recipe.

The shower gifts of linen were presented in unique fashion, directions to Miss Merchant for finding the parcels being written in a group of white balloons floating above the table. A pleasant time was spent in displaying the gifts when they were all collected.

Having the privilege of participating in the party were Miss Merchant and her mother. Mrs. Harold Merchant; the Misses Rachel List, Fleeta Mae Decker, Elva Ruth Decker, Marian Sheets, Gwendolyn Merchant, Elsie Allen, Lois Broyles, Evelyn Herwig, Ruth Denton, Noble Denny and Lucille Carlton; and the Mesdames Golf Gunstream, Russell Crosby, John Horsch, Orville Sheets, David Maxwell, Sam Maxwell, Fred Johnston, Ernest Camfield, Fred Kennedy, Harold Musser, Kenneth Allen, J. C. Broyles, Chester Dexter, Frank Herwig, John Schmidt, Mrs. B. L. Decker and Mrs. James Merchant, the latter two being gradmothers of the honoree; Mrs. Hollis Rough, Mrs. Cletus Carlton, Mrs. Warren Sheets, and the four hostesses.

District President Visits Legion Auxiliary

With a special program arranged for the occasion, Upland unit of the American Legion Woman's Auxiliary entertained the Twenty-fifth district president, Mrs. Robert Turner of Victorville, during the recent regular meeting.

Another special guest at the meeting was Mrs. James Everett Hayes of Ontario, district poppy chairman.

Mrs. W. J. Larkin, unit president, conducted the regular business session, and Mrs. I. J. Linkey, local poppy chairman, gave a report of the recent successful poppy sale.

Mrs. Turner made an interesting talk and discussed the work of the Auxiliary.

A group of students from Chaffey dramatics class, under the sponsorship of Mrs. Nissley, presented a one-act play for the entertainment of their audience.

In the cast were Marcelene Bradford, Gwen Cline, Evelyn Read and Bob Larkin.

The meeting closed with a social hour and the serving of refreshments, the hostesses being Mrs. H. C. Naylor and Mrs. I. J. Linkey.

China Relief Tea To Be Held Saturday At Home Inn

To raise funds for the relief of war sufferers in China, Mrs. Evelyn Miller will entertain with a silver tea Saturday afternoon at the Home Inn sanitarium at the head of Euclid avenue. The hours will be from 3 to 5 o'clock.

Arrangements are being made to present a program during the afternoon and plans indicate the tea will be a delightful event.

All money received in the contributions will be turned over to China Relief, Mrs. Miller stated, as she extended an invitation to all women in the West End.

Board of Alta Loma Community Club To Meet Friday Night

Executive board of the Alta Loma Community club will meet in regular session in the club rooms next Friday night, beginning at 7 o'clock. Wm. H. Bannister, president of the club, will preside.

Residents of the community, Mr. Bannister said, not only are invited but are urged to attend the meeting and help the board members carry on the work of a city council and a chamber of commerce, as well as that of the service club.

Girl Scout Council Board Guests of Mrs. Phillips

Plans for summer activities and for the beginning of regular work next fall were discussed during a meeting of the executive board of the Girl Scout Council of the Chaffey district, held Friday evening at the home of the Council commissioner, Mrs. Frank Phillips, on Wilson avenue.

The meeting was held in the recreation room and Mrs. Phillips served a dessert course.

In attendance, besides Mrs. Phillips, were Mrs. Howard M. Shattuck, Mrs. J. W. Stevens, Miss Ada Cooper, Mrs. Warren H. Wass, Miss Alberta Schaefer, Mrs. J. B. McCarter, Mrs. George West Barrett and Miss Katherine Dawson.

CHURCH WOMEN TO MEET FOR SCHOOL

A number of women of Upland will attend the Church Women's Leadership school of the Orange Belt district to be held on June 23 in the Claremont Community church, beginning at 9 a. m.

The one-day school is sponsored by the Southern California Council of Church Women, Miss Daisy June Trout of South Pasadena, president.

Theme of the meeting is "Study for Service", and there will be forums and group discussions on the three general topics, "Inter-American Relations", Christian Social Relations" and "The Church and a Just and Durable Peace".

Mrs. Edith S. Troeller of Upland, president of the Chaffey District Council of Church Women, will preside during the afternoon session, that will begin at 1:00 p. m. Mrs. James V. Latimer of Upland will serve as chairman of the discussion group considering "Christian Social Relations—Within the Church".

Mrs. Herbert S. Bailey of Ontario, representing the Upland Presbyterian church, will preside, and W. W. Mather, of Upland and Chaffey, will serve as leader in the meeting of the discussion group that will consider "The Church and a Just and Durable Peace—on Economic Basis".

WOMAN'S PART

In announcing the school, the Southern California Council of Church Women included in the bulletin the following paragraph that explains the purpose of the meeting:

"Church women of America are a part of the world war and a part of a world revolution, out of which must be built a world cooperation. Who knows the people of all nations as well as the intelligent church woman? Who is more concerned for the building of a peace based upon Christian attitudes and principles? Church women will want to study and plan together so that their organizations will be of the greatest possible service in this world building."

Methodist Women To Discuss Study Book At Meeting Thursday

The book, "Christian Imperatives", selected for study by Methodist Women during the second half of the year, will be the topic of discussion at the meeting to be held Thursday in Fellowship hall by the Methodist Women's Society for Christian Service.

Mrs. Frank C. Buffington, president, will open the meeting at 10 a. m., and the devotional service and business session will precede the book discussion, in which several women will take part.

The N. E. W. circle will serve the noon hour luncheon and each of the four circles is to arrange and decorate its own table and provide a short program.

Following the luncheon, Mrs. Buffington will conduct the business meeting of the Local Social Service Group.

ADDRESSES HEARD BY PRESBYTERIANS

Account of the beneficial work being done at the San Anselmo seminary was given by Mrs. J. Andrew Hall of Sierra Madre, when she spoke at the morning session of the all-day meeting held Thursday at the church by the Presbyterian Women's association.

Expansion of the school and plans for the erection of a new dormitory were discussed and Mrs. Hall told of the very great benefit the seminary training affords missionaries.

Mrs. M. H. Moremen, president, opened the meeting at 11 a. m., and conducted the routine business.

The noon luncheon was served by Mrs. H. M. Guy's group at tables made attractive with many garden flowers.

The afternoon session was opened with devotional service based on the Twenty-third Psalm and conducted by Mrs. J. Emery Sargent.

Dr. J. Andrew Hall who, with Mrs. Hall, spent 37 years in the Philippines, spoke of the people of those islands, giving a great deal of interesting information.

The Filipinos, he said, are a mixture of several Oriental and Occidental races, those of intermingled ancestry having remarkably bright minds. The present leader, President Quezon, the speaker designated as one of the brilliant statesmen of the day.

Originally polytheistic, the Filipinos were given their first idea of one omnipotent God by the Spaniards. Later America brought them education, democracy, law and order. At the time America freed them from Spain, there were 7,000,000 inhabitants in the Philippines and there now are 16,000,000, Dr. Hall stated. Eighty-five per cent are farmers and fishermen, and their crops are largely hemp, tobacco, copra and other products of the cocoanut palm. The people are friendly and helpful and are hospitable almost to extreme.

Dr. and Mrs. Hall started the first hospital in the Islands and Mrs. Hall translated the Bible into one of the numerous dialects spoken by the people.

Announcement was made of the benefit tea and doll exhibit to be held by Mrs. Guy's group on June 17.

Art Ascendancy of Thomas Craig Is Told in Sketch

Thomas Craig, native son of Upland and nationally known painter, was in Sunday's Los Angeles Times, the subject of a series of sketches of outstanding Southern California artists by Arthur Millier.

"The Master of Mist and Water" is the title suggested for Craig by a San Francisco critic. Says writer Millier: "The title was coined from a phase of Craig's work in which he painted the California coast in magical muted tones such as were seldom used by California's forthright water colorists."

Continues sketch author Millier: "Since that time Craig has wrestled successfully with the huskier medium of oils, has painted, besides landscape, portraits and figures; and has come up with a deep glowing brand of color all his own.

"Important prizes and a Guggenheim fellowship have added to Craig's luster and aided in the maturing of his native talent.

Briefly Millier sketches Tom Craig's rise as the son of Upland's first physician and the brother of seven children all of whom are doctors. He tells also of the early influences which directed Craig's talents toward art and moulded his career definitely with color and its expression. Millier concludes: "—with very little warning, it become apparent a few years ago to the American art world that an impressive painter of exceptional sensitivity had found a convincing style of his own."

Residents here are Craig's mother, Mrs. William H. Craig Sr., 481 Second avenue; his brothers, Dr. J. B. Craig, 704 West Arrow highway; Dr. W. H. Craig Jr., 549 Laurel avenue; Dr. S. A. Craig, 404 Armsley square, Ontario; and his sister, Dr. Mary Craig McClellan, 1707 Euclid avenue.

Love is never lost. If not reciprocated it will flow back and soften and purify the heart.—Washington Irving.

BIRTHS

Professor and Mrs. W. W. Mather, 530 North Laurel avenue, are happily spreading the good news that they are grandparents for the first time. A husky boy, weighing one ounce over seven pounds, was welcomed this morning shortly after 8 o'clock by Mr. and Mrs. Norman Mather of South Pasadena. The baby was born at the Queen of the Angeles hospital in Los Angeles. The maternal grandparents are Mr. and Mrs. T. J. Clark of South Pasadena.

—

Norman Allen is the name of the brand new son of Mr. and Mrs. Eldon Bert, 318 Sixth avenue, the baby's arrival being welcomed at 12:10 a. m Saturday at San Antonio Community hospital. First child of the Berts and first grandchild of Mr. and Mrs. J. P. Bert, 563 Third avenue, Norman Allen also received a warm welcome from his maternal grandparents, Mr. and Mrs. W. E. Bohen, 451 Tenth avenue.

—

Mr. and Mrs. John Van Wallinga, South Grove avenue, Ontario, are parents of a son, the baby's birth occurring on Thursday evening, June 4, at San Antonio Community hospital.

—

Mr. and Mrs. M. K. Smith, 380 Sierra Vista, Cucamonga, are receiving congratulations upon the birth of a son, whose arrival took place on Saturday, June 6, at San Antonio Community hospital.

—

Twins again! was the word from San Antonio Community hospital, with the arrival at 4:30 p. m. Sunday, June 7, of a boy-girl set, son and daughter of Mr. and Mrs. Fortino Valcinca, 477 Eleventh street, Chino. Born ten minutes apart, the Valcinca twins are the third set of twins to arrive at San Antonio Community hospital within the past month.

Cucamonga Central School Graduation Exercises Tonight

Eight graduates will receive their diplomas at graduation exercises to be held at Cucamonga Central school this evening at 7:30 o'clock, it is announced by Principal Robert Berg.

Boys and girls who will receive their diplomas from the hands of Robert Nesbit, retiring member of the Cucamonga Central school board, who has served the district for many years, are: Jane Fessenden, Beverly Dawn Goven, Betty Lou Wise, Alice Vidiola, Dorothy Wiems, Philip Buettner, Edward Riggan, and Raymon Farley.

"Conservation of Youth's Ideals" is the topic upon which a symposium of four student speakers will talk. The speakers are: Raymon Farley, Jane Fessenden, Philip Buettner and Beverly Govan.

Betty Wise will read the class will, while Edward Riggan will make the class prophecy. The class gift will be presented by Alice Vidiola. Musical numbers on the program will include a piano solo by Beverly Govan and patriotic songs by a group of eighth grade girls.

Graduation will come to a fitting close with the singing of "Aloha".

Heights League To Hear of "Traffic Safety" Thursday

When San Antonio Heights League meets at the Eighteenth Street school this Thursday evening at 7:30 o'clock, John H. Pratt, Upland license examiner and resident of the Heights, is to be the speaker, and will talk on "Traffic Safety", it is announced by Dr. Charles B. Taylor, president of the league.

Anyone interested in the subject is welcome to attend the meeting. Mr. Pratt knows his subject and will present a store of interesting information backed up by many actual case experiences, promising a profitable evening for his hearers.

In connection with his talk, Mr. Pratt will present those who attend with free manuals on traffic safety, together with a summary of the 1942 vehicle code. The latter is a new compilation and has not as yet been made available to the public.

Meetings Held by Methodist Circles Largely Attended

Luncheon sessions were held by three circles of the Methodist Local Social Service Group Thursday.

N. E. W. circle meeting was held at the home of the president, Mrs. Flora S. Allen, 460 North Third avenue. A contributed dish luncheon was served at noon and the devotional service was conducted by the Misses Sylvia and Capitola McClair.

During the business session plans were made for the circle's part in the luncheon to be served at the meeting of the Methodist women in the church Thursday. During the remainder of the afternoon the 26 women in attendance did Red Cross sewing and knitting.

Meeting of the Orange Drive Circle was held at the home of Mrs. W. T. Schaffner, 970 West Eighteenth street, with a 25c luncheon being served. Mrs. L. E. Moser and Mrs. L. J. Horsch were assisting hostesses.

Mrs. Laura Sutton, circle president, conducted the business session and a social hour was enjoyed. Sixteen members were present.

The Willing Workers met at the home of Mrs. W. W. Mather, 530 North Laurel avenue, and a 25c luncheon was served. Mrs. Mather was assisted by Miss Lillian J. Williams. Mrs. Harry A. Cooley, circle president, conducted the business session and the devotional service was led by Mrs. Hjalmar Anderson. Fourteen members were in attendance. It was decided the circle will suspend meetings during the summer months.

East Side circle, Mrs. Harold Rowe president, held a garden party in the patio of the Methodist church during the afternoon and evening.

Mrs. Bob Townsend Goes to Camp Davis To Be Near Husband

Mrs. Elizabeth Townsend, 249 North Palm avenue, returned Friday from a few days visit in Santa Monica. While there she attended the commencement exercises at the University of California at Los Angeles, where she saw her daughter-in-law, Mrs. Robert F. (Bob) Townsend, graduate from the university.

The junior Mrs. Townsend left Friday for Wilmington, N. C., to join her husband, who is stationed at Camp Davis.

Mr. Townsend, a Chaffey and University of California graduate, and formerly a warden in the United States forestry service, recently was graduated from the Coast Artillery Officer Candidate school at Camp Davis and now holds the rank of second lieutenant.

He is to remain at Camp Davis as an instructor and Mrs. Townsend will stay in Wilmington during his service there.

Council Session Considers Many Diverse Matters

Dr. W. W. Fenton, San Bernardino county health officer, was a guest at the recent session of Upland city council, at which time he explained to the councilmen at some length the setup and organization of the county health department and the advantages and services to which the City of Upland is entitled through its offices. Having recently taken over the inspection of milk in the Upland district, relieving the city of considerable cost in this respect, Dr. Fenton also detailed the processes of this work which is done by his department.

Balance of the city council's business proceeded with clocklike precision. A report of the council finance committee stated that the committee had met to consider the resolutions of Upland city employes and police for boosts in the wage scale, but that the committee had not finished its investigations as yet. As a consequence, its recommendations on the salary requests would have to wait for next meeting of the council to be announced.

RECOMMENDATIONS MADE

Recommendation also was made by the council that a committee be appointed to study the city's present sick leave resolution with a view to bringing it up to date in accordance with current, accepted practices of other cities if this is found to be advisable.

A resolution from Upland American Legion offering its cooperation in the matter of giving or denying approval to numerous solicitors who represent themselves as Legionnaires or veterans was referred to the police committee to act upon. The Legion expressed the belief that such cooperation would be a protection to merchants, citizens and veterans generally.

An appreciative letter from William T. Honda, Upland Japanese now at Poston, Arizona, was read to the council, expressing the appreciation and thanks of himself and other Japanese for the many kindnesses and courtesies shown them in their recent removal from Upland.

A request from Mr. and Mrs. George T. Cunning for permission to move a house from the site of Ontario airport to a new site in Upland on West Eighth street, between San Antonio and Euclid avenues, was considered by the council. Recommendation was made that the permission be granted providing that wiring, plumbing and structural alterations be made in accordance with suggestions offered by City Building Inspector Richard D. Derby.

Uncle Sam Offers More Jobs in West

Civil service employment opportunities are announced for the position of junior property and supply clerk at a salary of $1,440 a year. There are vacancies now open in California, Arizona and Nevada.

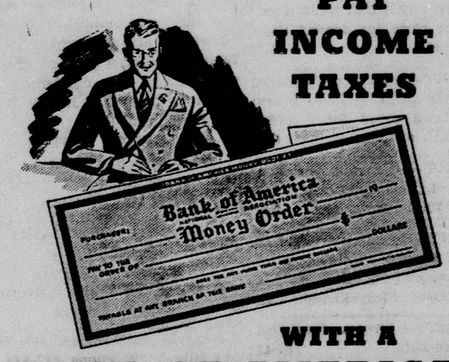

Information regarding requirements and necessary application forms may be secured from John E. Bice, civil service representative at Upland postoffice. Applications will be received until the needs of the service have been

All Winds Are Ill Winds for Cyclers Is Prexy's Lament

When for any cause he may decide to give up peddaling as a means of locomotion, Principal Robert Berg of Cucamonga school, who for several months past has pumped his way back and forth from Upland to his school, declares there are plenty of "askers" wanting to acquire his blue racer.

Yesterday, however, he was weakened almost to the point where he might have wished the vehicle upon almost anyone who would have pumped it away. Just arrived from huffing and puffing his homeward way against a baffling west wind, the grape country prexy averred that he would rather pump his two-wheeled opposition up ten thousand hills than against the winds which give him frequent homebound opposition.

But in spite of all the vicissitudes of two-wheeled vehicular travel, Mr. Berg has not decided as yet whether he will hold a street corner auction or accept some one of the many "dickers" with which he has been approached (including a Chevrolet!) when he finally discontinues his sprocket wheel travels—or the duration is over.

SCOUT COUNCIL IN IMPORTANT SESSION

Re-employment of Miss Katherine Dawson as executive secretary and completion of Day camp plans featured the season's final meeting of the Girl Scout Council of Chaffey district held Monday afternoon in Scout house on North Third avenue.

Mrs. Frank Phillips, Council commissioner, conducted the meeting.

Because of the rapidly increasing number of Girl Scouts and troop committee members, the necessity for increased activities has become apparent and the Council decided to sign a 12-months contract with Miss Dawson instead of the usual 10-months contract.

Increase in membership was reported by Mrs. J. B. McCarter, who stated that 151 new Girl Scouts have been enrolled, many of them signing for senior service. Mrs. McCarter also reported a large number of new committee members and a steadily increasing interest in Scout work.

Mrs. Oregon Smith told of plans for the Day camp to be held in Galvin park on Fourth street, Ontario.

Camp director will be Mrs. Hallie Bartholomew of Ontario and she will be assisted by Mrs. Charles Woolsey, also of Ontario, and a large staff.

The camp will open with a party on Friday, July 17, and sessions thereafter will be held on each Monday, Wednesday and Friday for three weeks.

Mrs. Hobart Alter, Julliette Lowe fund chairman, explained the use being made of the memorial fund. The money, she said, is being sent to aid girls in war invaded countries.

Mrs. George Newport of Fontana, new Council representative from that community, was in attendance.

How shall I do to love? Believe. How shall I do to believe? Love.—Leighton.

What is becoming in behavior is honorable, and what is honorable is becoming—Cicero.

FOUR MEN LEFT IN RED HILL TOURNEY

One of the following four men will win the A. R. Gemmel golf tournament at Red Hill Country club:

Ellery F. Wright, Jack Story, C. C. Denio or Lloyd Dickens.

This quartet of golfers remained undefeated in the tourney following the week end play. Pairings for the semi-finals are Dickens vs. Wright and Story vs. Denio.

Winners of the third round of the tournament follow: Story defeated B. F. Hungerford, 2 up; Denio defeated E. E. Gray, 3 and 2; Dickens defeated J. H. Marshall, 2 and 1; Wright defeated R. G. Williamson, 4 and 3.

In the mixed foursome tournament, Mrs. Mildred R. Puckett and Burt Reed defeated Mrs. D. R. Foss and E. W. Kirkpatrick.

Other tournament results follow: Mrs. H. J. McLennon and D. R. Foss defeated Mrs. C. C. Denio and A. J. Neilson, 1 up; Miss Jane Yahres and B. L. Bergstrom defeated Mrs. Bergstrom and Craig Williamson, 4 and 3; Mrs. David Sears and L. M. Dickens defeated Mrs. F. K. Nichols and C. C. Denio, 3 and 2.

Pairings for next week will be Mrs. Puckett and Reed vs. Mrs. McLennon and Foss; Miss Yahres and Bergstrom vs. Mrs. Sears and Dickens.

ARMY FUNDS WILL CUT CHAFFEY COST

The army is going to help the Chaffey district taxpayers.

Uncle Sam is sending several hundred of his soldiers to school at Chaffey and he will reimburse the Chaffey district for the instruction in the specialized courses. All of which means the 1942-43 school budget will not be so large as it might have been without the federal "Average Daily Attendance" support.

Budget for the new year was adopted by the Chaffey board this week. It is only about $5,000 higher than the budget for the 1941-42 year in spite of the fact that salaries have been adjusted in accordance with current living costs. The budget will be presented to the public at a hearing in August.

Alloted to the national defense classes in the junior college is the sum of $55,000.

Other jaysee budget items are: Operation of school plant, $25,910; instruction, $144,003; maintenance, $10,064; transportation, health work, attendance, $4,765; fixed charges, $4,600; capital outlay, $11,650; undistributed reserve, $12,500, and general reserve, $15,500. Total, $294,377.

The high school budget follows: Administration, $9,770; instruction, $217,102; operating school plant, $30,473; maintenance school plant, $13,405; transportation, health work, attendance, $22,735; fixed charges, $7,925; capital outlay, $31,675; undistributed reserve, $16,000; general reserve, $26,500. Total, $375,585.

Mrs. Gemmel Dies Following Illness

Mrs. Joseph Lee Gentry Gemmel, who has been ill with a heart ailment for three months, died at her home Monday morning. She resided at 212 South First avenue and had lived in California half a century.

A native of Beardstown, Ill., Mrs. Gemmel lived in Brawley and later moved to Upland. She is the widow of John A. Gemmel. Survivors are two daughters, Miss Marion Gemmel at home and Mrs. Richard Boaden, Brawley, and a son, John A. Gemmel, Glendora, and a grandchild. She was a member of the Presbyterian church, of the Auxiliary to Sons of Veterans, and of the Red, White and Blue club.

Funeral services will be held at 10:30 a.m. Wednesday in the Upland Presbyterian church, with the Rev. Samuel Hughes in charge. Interment will be in Bellevue cemetery, with the Auxiliary to Sons of Veterans in charge of the committal service.

Nomination of Judge Jacobs As Candidate Officially Confirmed

Judge Fred H. Jacobs is officially a candidate for reelection as justice of the peace in the Upland township. He recently filed his declaration of candidacy and he has received word from County Clerk Harry L. Allison that his nomination papers had been properly filed and that he was officially a candidate.

The primary election will be held in August and Judge Jacobs is unopposed.

His nomination petition contained the following names: Mrs. Harold Stickney, William Springer, Fred E. Draper, Henry Busch, James E. Goodban, Elmer Allen, George T. Stamm, Hjalmar Anderson, George A. Culver, Dr. W. R. Farmer, Mrs. Adda M. Manker, Lester P. Jones, Arthur H. Johnson, Mrs. Sam B. Rowe, Paul G. Hottel, Ellery F. Wright, Milton Huxtable, Rev. Samuel Hughes, Don E. Palmer, Charles L. Dinger, Owen E. Atwood, Vernon V. Paine, Richard Ibanez, Frank K. Nichols, Walter W. Horak, Cletus Naylor, Mrs. Harry H. Plum. H. C. Kennedy and Frank C. Buffington.

SENIORS READY TO RECEIVE DIPLOMAS

With the general theme, "American Dream", commencement exercises will be held Thursday for the largest senior class ever at Chaffey high school. Approximately 400 young men and women will be given diplomas in the civic auditorium in a program beginning at 8 p.m.

Student speakers will deliver addresses on the general theme. Speakers and their subjects are: Paul Gardner, "What Is the American Dream?"; Marvin Rahn, "What Are Its Ideals?"; Mary Jo Hastings, "How Can the Dream Be Fulfilled?"; Gardiner W. Spring, Jr., "What Is Our Place in the Dream?", and Robert Nesbit, "What Lies Ahead?"

Ernest W. Fischer, principal of the high school, will present the class to Gardiner W. Spring, superintendent. Norman S. Lawson, president of the Chaffey board of education, will present the diplomas.

Music will be provided by the Chaffey symphonic orchestra and by the mixed chorus and girls' chorus. The Rev. George West Barrett will deliver the benediction.

Swimming Classes At Chaffey To Open On Monday, June 15

Date for the opening of the Upland-Ontario Red Cross swimming classes to be held at Chaffey plunge, has been set ahead for a few days, it was announced today by Donald Jacobs, Chaffey swimming instructor.

Because the Ontario schools will close a few days later than will the Upland schools, the date for the opening of the class has been changed from Thursday, June 11, to Monday June 15.

Mrs. Hjalmar Anderson, chairman of the Upland committee, urges that all who can attend the classes, from beginners to life saving, be prepared to report to Mr. Jacobs at the plunge Monday.

T. J. CROMER IS CALLED BY DEATH

Thomas J. Cromer, who had resided in Upland 39 years and who had the distinction of being among the most elderly person here, died early Monday morning after an illness of five years. He was 89 years of age and had resided here since 1903. He was a retired citrus rancher.

A native of Madison county, Indiana, Mr. Cromer came west 55 years ago, locating in Pomona, and later coming to Upland.

He is survived by his widow, Mrs. Jennie K. Cromer and by a son, Ray F. Cromer, the latter of Corona, and by a brother, E. A. Cromer in Union, Iowa.

During his long residence in Upland Mr. Cromer made many personal friends and he enjoyed the high regard of all who knew him. Friendly and kindly at all times, these qualities, together with an enduring patience, seemed to increase with his years of illness and he was known as the "most cheerful man in Upland."

Mr. Cromer was an active member of the Upland Methodist church so long as his health permitted and in the early years he directed the church choir and through his earnest efforts helped to build up that organization. His life truly has been an inspiration to many.

Funeral services will be held in the Upland Methodist church at 2 p.m. Wednesday with the Rev. Samuel Hughes officiating. The Stone Funeral home is in charge of arrangements. Interment will be in the Pomona cemetery.

COUNCIL VIEWS FIRES SERIOUSLY

With three fire alarms on Wednesday and one on Saturday, the average for June shot up to one alarm a day for the first six days of the month, creating an alarming prospect for the coming season, it is declared by city councilmen.

Over a month ago the council took action to effect an early cleanup of grass and weeds in order to avoid just such a dangerous fire situation as now exists at a time when every precaution should have been observed. Whether oversight, lack of cooperation or a combination of both, the council could not say. But it was declared that weed clearance will be put in effect early next year, and that teeth will be put into its strict enforcement.

A view of the results of numerous grass fires during the past two weeks shows principally severe damage to a number of small ornamental trees, which cost the city money to set out, maintain and develop. Add to this the costs of numerous runs which have to be made by the fire trucks and, the city council pointed out, one will begin to see the mounting cost of carelessness.

UPLAND GIVES $273 FOR CHINESE RELIEF

Full organization of the Upland drive for United China Relief got under way this week with chairmanship of the drive being placed in the hands of Rev. Samuel Hughes, through Upland Ministerial Union, which was designated by Mayor Eugene G. Nisbet to handle this cause.

Accepting the chairmanship, Rev. Hughes has named Harland P. Horak to act as treasurer of the drive. Further plans for active prosecution of the campaign for contributions to United China Relief will be announced soon by Rev. Hughes.

Until the appointment of Rev. Hughes, contributions to United China Relief were urged and handled by Upland chamber of commerce in cooperation with both Upland banks. To date, funds totaling $273 have been given to this cause, it is reported by Howard Pierce, secretary of the chamber of commerce.

Pending further announcement from Rev. Hughes, contributions still may be left at the chamber of commerce or deposited at either of the Upland banks.

WOMEN IN DEFENSE

The latest report to the State Council of Defense from city and county councils of defense throughout the state reveals that there are a total of 117,507 women participating in various volunteer defense capacities. Red Cross workers led the list with 40,688. Emergency medical personnel numbered 10,909; emergency food and housing, 11,684; and at the present time there are 13,862 women air raid wardens.
